

Roc Solid Ready Bags are given to families
on the worse day of their lives ...

the day their child is diagnosed with cancer.

*Help collect items to fill Roc Solid Ready Bags.
Your support will send a powerful message to local
families that they are not alone as they begin the
terrifying journey of fighting pediatric cancer.*

Collecting Items for Roc Solid Ready Bags

Thank you for supporting our Ready Bag program! The items you collect, no matter how big or small, make a huge impact on families who have just learned their child has cancer. They eliminate the need for a parent to leave the hospital to pack an overnight bag, and they also send an important message to families that they are not alone as they begin the terrifying journey of fighting pediatric cancer.

Items can be shipped to us (3333-B Station House Road, Chesapeake, VA 23321), or local groups may contact us to arrange pickup. The items will be assembled at our warehouse and shipped to Roc Solid's partner children's hospitals. Ready Bags are presented to families by hospital staff within 48 hours of a child's diagnosis.

We have worked with organizations in many different ways to host Ready Bag item drives. Here are some ideas:

- Overwhelmed? We can narrow down the list to just a few items, which can simplify the process. (A custom checklist can be created if need be.)
- Print and post or distribute the flyer and checklist provided with a bin to collect items. Share the video about our Ready Bag program to get your group excited.
- Set up a friendly competition. We are happy to reward the winner with a pizza parties and/or Roc Solid swag!
- Set a timeline for collecting donations and keep your team(s) posted on progress.
- Set up a coin collection bin; monetary donations can help with the costs of the bags themselves, the tablets, and our packaging and shipping expenses.
- Send us photos so we can say **thank you** on our social media channels!

We love to be creative, so let us know what we can do to support you in this effort.

Thank you again for joining our mission to build hope! We truly appreciate you.
